UPCOMING EVENTS

General Meeting

Thursday October 1st, 2009

UU Hour 11:00 – 12:00 PM in Bldg 20 Rm 132

Come get some free pizza and learn of the benefits of being in the IEEE Student Branch at Cal Poly. We want your input for projects, what companies you would like to see, and any ideas you have that would help out the club.

Bowling Night

Wednesday October 14th, 2009

7:00 – 9:00 PM Mustang Lanes in the UU

This event is free to IEEE members. Pizza and drinks will be provided. We will be collaborating with other engineering clubs as well as faculty. All 10 lanes are reserved and there will be a Wii hooked up for a tournament. Hope to see you there.

GENERAL INFORMATION

Awards

This year our club won the best student chapter award for the central coast and went on to win the best student chapter in region 6 (south western US) Lets keep it up and make this year even better.

Parts Kits

IEEE Room, Bldg 20 Rm 115

IEEE has all the part kits for your EE labs for less then what you would pay at the bookstore. You can even receive up to a 50% discount if you are an IEEE member. Come in if the door is open and get the parts you need for lab.

Student Study Groups

TBA

This year we are working with EE professors on midterm schedules and setting up study groups lead by upper class IEEE officers and members to help you get through tough classes. Look for fliers posted outside the IEEE room or come in and ask any officer for more information.

To join or renew your membership go to IEEE.org.

Look for the next newsletter with information on the info sessions and industry tours.

Thanks,

Laura Quesada *Newsletter Director IEEE Student Branch California Polytechnic State University*
