## NEWSLETTER

### UPCOMING EVENTS

Visit us at our new web site at  
<http://www.calpolyieee.org>

#### *General Meeting*

**Thursday October 29th, 2009**

**UU Hour 11:00 – 12:00 PM in Bonderson Room 104**

Come and enjoy some free pizza while learning about what IEEE is doing this year and how you can get involved. We are hosting a **Halloween Costume Contest**, so get creative and have fun.

As always we would like to hear your input for projects, companies you would like to see, and any ideas you have that would help out the club.

#### *Building an Engineer*

**Saturday November 14th, 2009**

**9:00 – 3:00 PM Mustang Lanes in the UU**

Volunteer for the whole day, or just a few hours and inspire high school and middle school students to choose engineering. The participants attend workshops in different engineering disciplines, and get hands on experience. IEEE is going to be leading participants through a short EE lab where we can show them how much fun electrical engineering can be.

### GENERAL INFORMATION

#### *Info Sessions*

Look to the next newsletter for more information on info sessions as well as industry tours. This year IEEE is going to tour companies in southern California during the 1<sup>st</sup> week of winter break.

#### *IEEE Presidents' Change the World Competition*

Can you change the world? Show us how and you could win US\$10,000. The IEEE Presidents' Change the World competition recognizes students who develop unique solutions to real-world problems using engineering, science, computing and leadership skills to benefit their community or humanity.

Visit the <http://www.ieee.org/web/membership/changetheworld.html> on IEEE.org for complete details, eligibility requirements and to submit your entry. The last day to submit your entry is 31 January 2010.

To join or renew your membership go to [IEEE.org](http://IEEE.org).
