<http://www.calpolyieee.org>

Info Sessions

Look to the next newsletter for more information on info sessions as well as industry tours. This year IEEE is going to tour companies in southern California during the 1st week of winter break.

IEEE Tutoring Schedule

Need some help in your EE classes? IEEE is here to help. Scroll down to the next page to see the tutoring schedule. There will be offices and professors in the IEEE lounge throughout the week to help answer all your EE and CPE questions.

A new schedule will be posted and sent via IEEE Newsletter every quarter. You can find the schedule posted outside the IEEE room.

IEEE Technical Projects

Go to the Cal Poly IEEE website www.calpolyieee.org to check out all the projects we are doing this quarter. We plan on continuing these and other projects for the rest of the year.

If anyone is interested, wants to know more, or would like to contribute their expertise to the projects contact the project manager through e-mail. You can also contact the Technical Projects Coordinator Hector if you have any ideas or suggestions for an IEEE sponsored project. (all e-mails are available on the website.)

IEEE Presidents' Change the World Competition

Can you change the world? Show us how and you could win US\$10,000. The IEEE Presidents' Change the World competition recognizes students who develop unique solutions to real-world problems using engineering, science, computing and leadership skills to benefit their community or humanity.

Visit the <http://www.ieee.org/web/membership/changetheworld.html> on IEEE.org for complete details, eligibility requirements and to submit your entry. The last day to submit your entry is 31 January 2010.

T-Shirt Competition

The T-Shirt Competition has been extended through December 1st. Submit your t-shirt designs soon. The winner of the contest will get a free t-shirt.

To join or renew your membership go to IEEE.org.
