UPCOMING EVENTS

General Meeting

Thursday January 14th, 2010

UU Hour 11:00 – 12:00 PM in Bldg 20 Rm 133

Come get some free pizza and learn of the benefits of being in the IEEE Student Branch at Cal Poly. This year IEEE-SB is sponsoring student-lead technical projects, so come check out all the current projects and see what is in store for the future. We will also give you information on upcoming events, PolyKart, tutoring schedules, power seminars, tours, and social events.

Visit us at our new web site at

GENERAL INFORMATION

PolyKart

PolyKart is a quarterly competition hosted by Cal Poly. It is set up to give students a chance to work with microcontroller based robotics. There is no experience necessary though some basic programming knowledge is useful. If you are interested there will be a sign up sheet at the general meeting. For more information on PolyKart or any other project, visit the project page on calpolyieee.org.

Industry Tour

Winter Break

This past winter break IEEE took a group of students to Clipper, Raytheon, Boeing and SDG&E. Look to future newsletters for information on future tours.

Parts Kits

IEEE Room, Bldg 20 Rm 115

IEEE has all the part kits for your EE labs for less than what you would pay at the bookstore. You can even receive up to a 50% discount if you are an IEEE member. Come in if the door is open and get the parts you need for lab.

IEEE Tutoring

TBA

Need help in your EE and CPE classes? IEEE is here to help. Officers, upper class students, and EE professors will be in the IEEE room throughout the week to help answer all your EE and CPE questions. Look for flyers and future IEEE newsletters for the schedule more information on this program.

To join or renew your membership go to IEEE.org.

Thanks,
