General Meeting

Thursday April 15th, 2010

UU Hour 11:00 – 12:00 PM in Bldg 20 Rm 132

Come to IEEE's first general meeting of the quarter and find out about upcoming info sessions, events, officer elections, and the EE Banquet. There will be free pizza and drinks as well as updates on student-lead technical projects. We also want your input for projects, what companies you would like to see, and any ideas you have that would help out the club.

Open House

Saturday April 17th, 2010

Join IEEE at Open House and see what our club can do for you. Learn how you can become more involved with fellow students, professors, industry, and faculty. Show your support and purchase the student designed IEEE T-shirt!

Maxim Info Session

Thursday April 22nd 2010

6:00 to 8:00pm Bldg 20 Rm 140

Maxim is a worldwide leader in the design, development, and manufacture of analog, mixed-signal, high-frequency, and digital circuits that enable interaction with their environment-people, the physical world, power sources and other digital systems.

EE Banquet

Friday May 14th

Embassy Suites, 333 Madonna Rd at 5:30PM

Enjoy a great meal with your professors and fellow students as we honor the EE Department's faculty and staff. During the night we will be unveiling the new EE logo, honoring students who were awarded scholarships, and having a great raffle.

GENERAL INFORMATION

Officer Elections

TBA

Officer elections will occur during the ninth week of school. If you think you have what it takes to be an IEEE officer next year, visit our website and contact the corresponding officer.

To join or renew your membership go to IEEE.org.

Look for the next newsletter with information on the info sessions, industry tours, and IEEE tutoring schedule. Thanks,

Laura Quesada Newsletter Director IEEE Student Branch California Polytechnic State University
